INTRODUCTION

At Bajaj Electricals, we've been on a perpetual journey towards building the future and opening your world to new possibilities and new ways of living. Through innovation, technology and nuanced understanding of the consumers, our new-age appliances and products are playing a meaningful role in the everyday lives of Indian families.

Our revolutionary products, including our extensive range of irons, have helped us deliver the best-in-class solutions to the consumers conveniently, thereby ensuring peace of mind. From Unique 360° Soleplate with German Glide Technology in Dry Irons that protects your precious clothes from burning to differentiated Steam Irons with Retractable Cord, Heavy Weight Metal body and Garment Steamer-cum-Kettle; each product has been a manifestation of our commitment towards unmatched consumer experience. With this commitment, we provide piece-to-piece replacement warranty for Dry Irons. We have been relentlessly dedicated to iron out your hassles and to make ironing a simple and convenient affair. This has also led to us gaining the reputation of **Champions of Ironing** making us **India's No. 1 Iron Brand**.

*The claim of India's No. 1 Iron Brand is based on an independent market research conducted by a 3rd party for the financial year 2020 - 2021.
