SERVEFRESH

Designed keeping in mind our Indian food, our beautiful stainless steel casserole range not only looks elegant but is extremely functional. Double walled PUF insulation prevents loss of temperature and retains nutritive value of the food. And the dome shaped lid on the casseroles ensure that the condensed steam trickles down the sides and slides below the coaster, without dropping on the rotis / idlis / theplas, keeping them perfectly fresh.

TOUGHENED
GLASS LIDS

FOOD GRADE
SS 304
RUST FREE

DOUBLE WALLED
PUF INSULATION

SERVE

Double walled vacuum seal keeps the food fresh and hot and is ideal for serving chappatis, rice, dal and vegetables.

STORE

Store leftovers directly in the fridge as the lid keeps the smell and taste fresh

BOROSIL®

COOKFRESH

Introducing Borosil Stainless Steel Cookfresh that makes your daily cooking healthy and hassle free. Its SS 304 construction is safe to cook on gas, hot plate and induction. The Tri-ply cookware offers Impact bonded technology implies forging of three metals—Stainless Steel, Aluminium, Stainless Steel under high impact to form the bottom eliminating air gaps between the metal layers helping in uniform and even heat distribution while cooking and ensures long life of the bottom.

Five-ply cookware has bonded technology of durable stainless steel encapsulating 3 layers of aluminium core for even heating throughout, perfect for sautéing and frying

ENERGY SAVER

INDUCTION FRIENDLY

COOK

Tri-Ply / Five-Ply base of Cookfresh enables healthy cooking in minimal oil keeping the natural taste of the ingredients. Thermal efficiency is excellent.

HEAT

Use Stainless Steel Cookfresh to reheat food - the lid keeps gravy from splashing in the gas.

PRESSURE COOKER

Borosil range of Stainless steel pressure cookers have been designed to provide you with the best, safest and most efficient cooking experience. The unique 7 mm thick base transfers heat faster to speed up your cooking and save fuel cost. The food grade SS304 body ensures that your cooker will never corrode or pit. The stay cool handles are designed for easy handling and convenience, and you can be rest assured that we have best in class safety features built-in the Borosil pressure cookers. Built with Borosil quality standards, this pressure cooker is one possession you will be happy you made!

DURABILITY

The capsule bottom will not come out even with repeated usage. Inside fitting lid keeps the gasket from getting rubbed, cut or scraped everytime the cooker is opened and closed.

SAFETY

The pressure locked safety lid doesn't open until pressure is released. A safety valve under the handle ensures that the steam is deflected safely downwards.

STURDY, EASY GRIP, STAY COOL HANDLE

Stay cool Bakelite handles are designed for convenience and are comfortable to hold while cooking.
