Tableware

The Lurah dinnerware range embodies what we believe is good design – beautiful products that meet practical needs. Contemporary and premium designs add sure elegance to your table, and a wide array ensures there is a design to satisfy every aesthetic discipline. While the designs look impeccable, they perform just as beautifully. Made of toughened glass for extra strength, yet extremely lightweight and with a whiteness that doesn't stain or fade, the Lurah range is perfect for your everyday meals and also for those special ones. When you put your best into your cooking, why should it be served in anything less? Lurah – Khame Ki Khamaye Khana.
