

morphy richards

smart ideas for your home

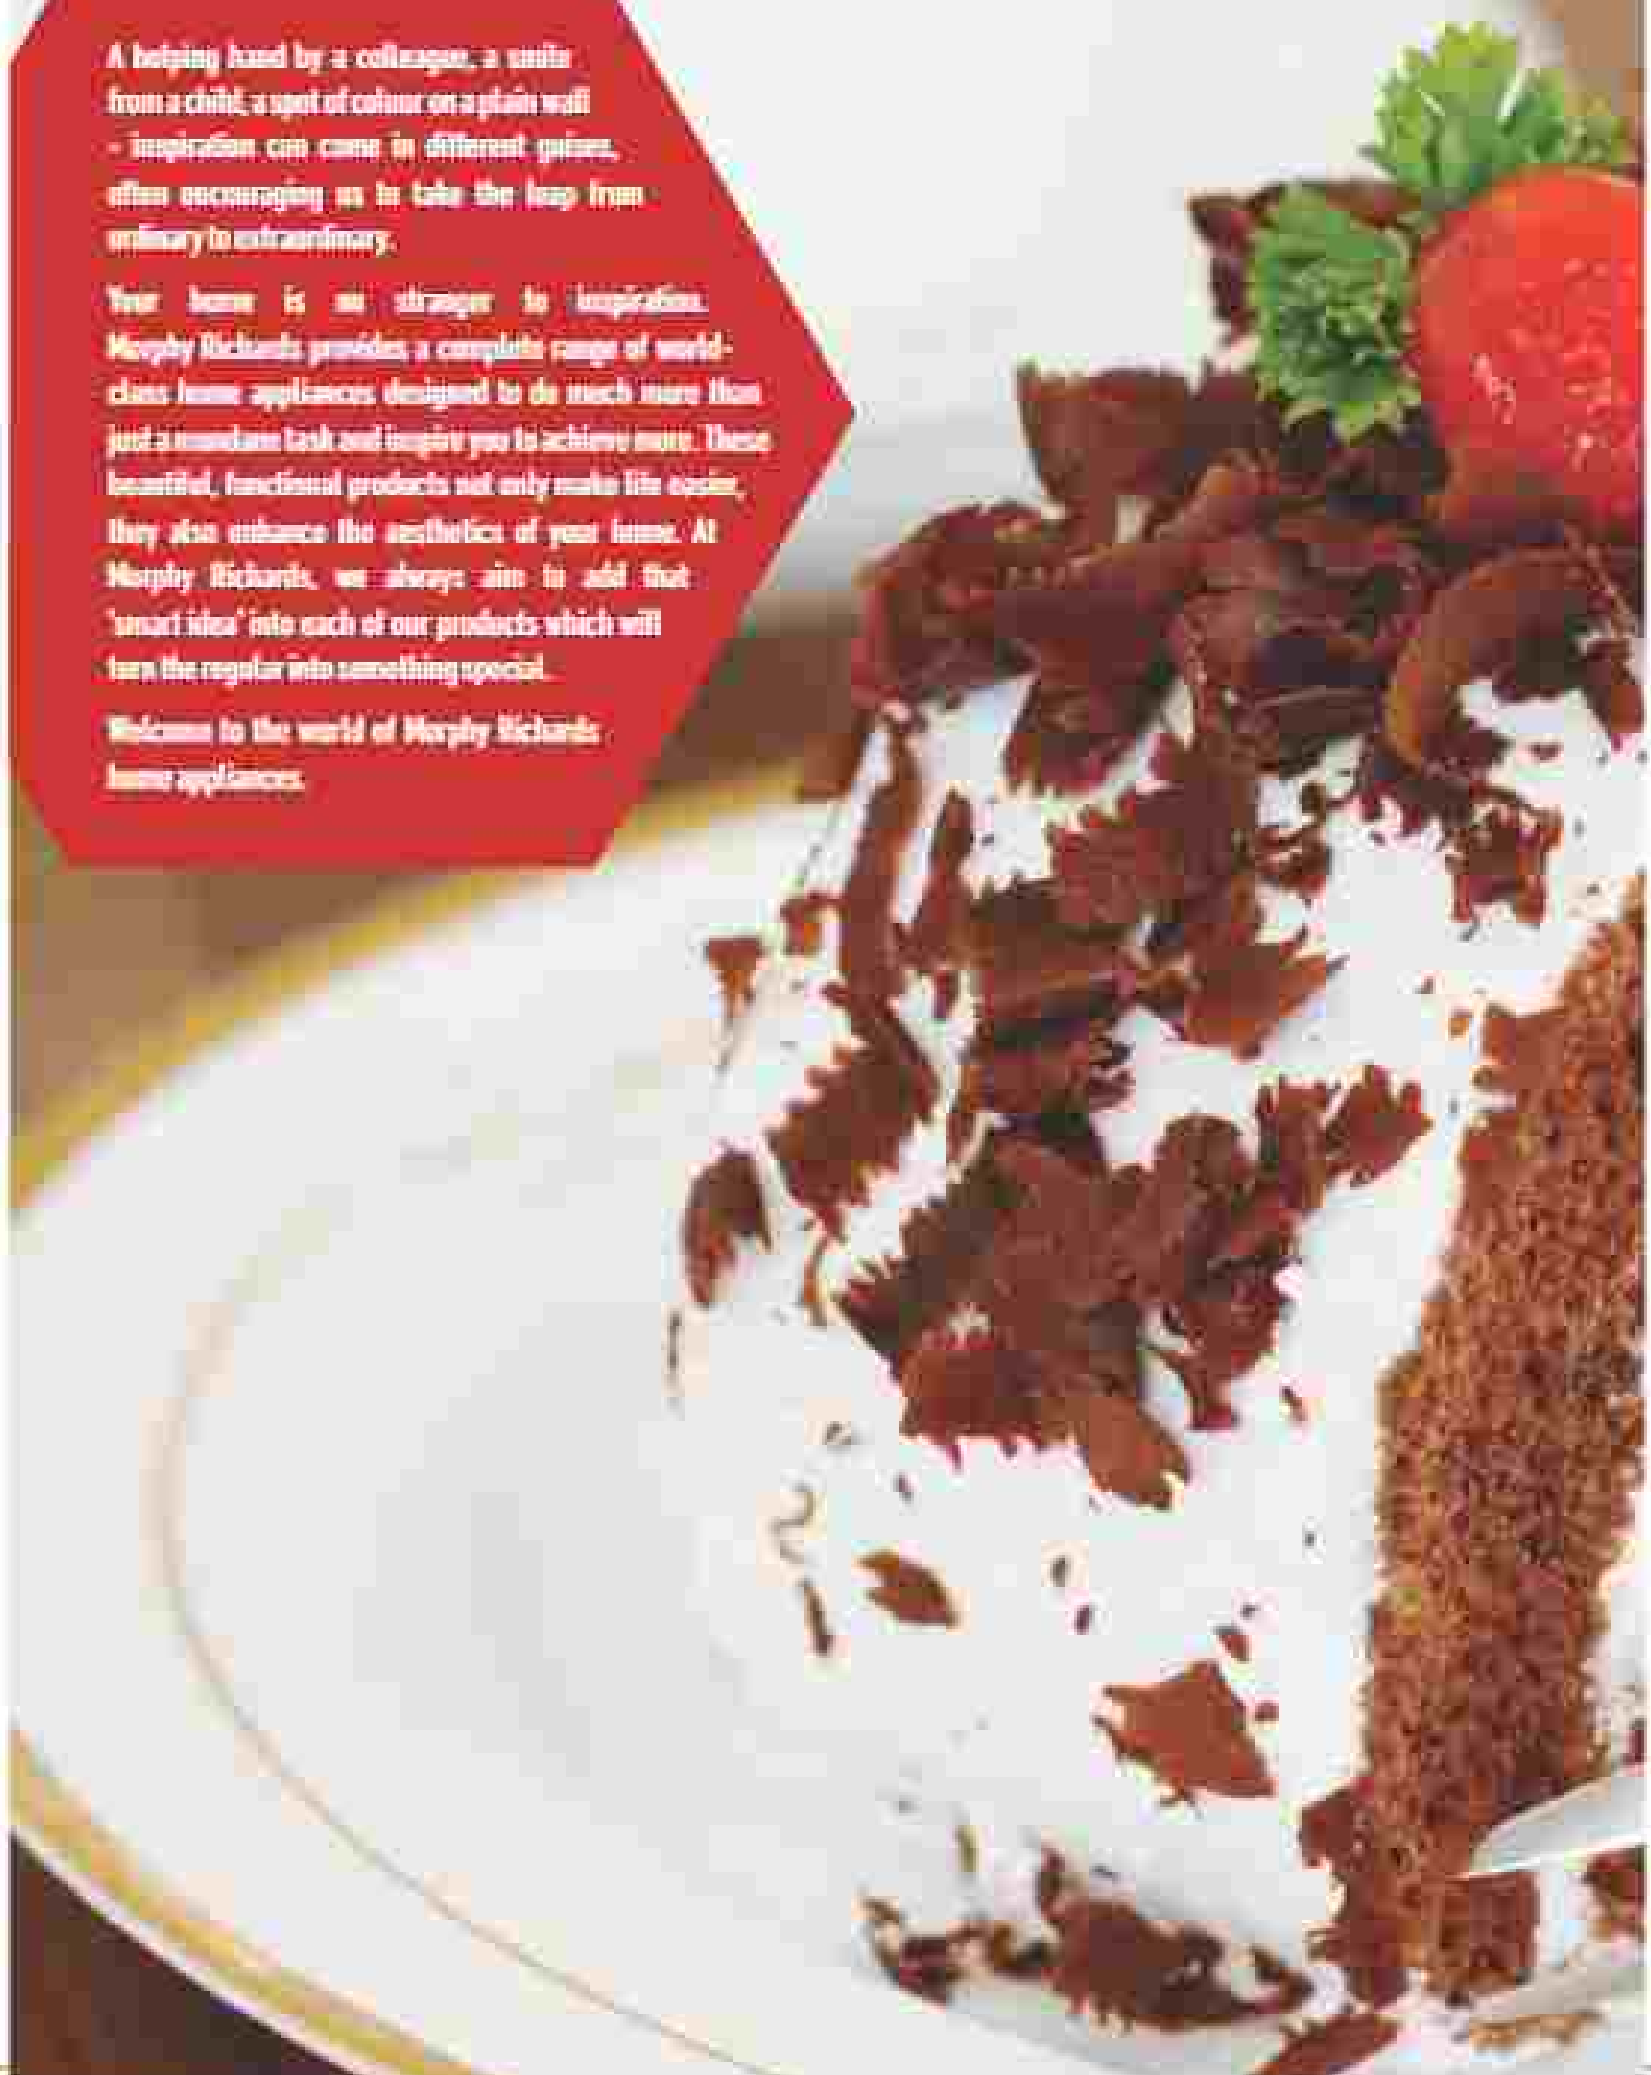

INSPIRING THE BEST IN YOU

Product Range Catalogue

A helping hand by a colleague, a smile from a child, a spot of colour on a plain wall - inspiration can come in different guises, often encouraging us to take the leap from ordinary to extraordinary.

Your home is no stranger to inspiration. Morphy Richards provides a complete range of world-class home appliances designed to do much more than just a routine task and inspire you to achieve more. These beautiful, functional products not only make life easier, they also enhance the aesthetics of your home. At Morphy Richards, we always aim to add that 'smart idea' into each of our products which will turn the regular into something special.

Welcome to the world of Morphy Richards home appliances.

The image features three large, conical piles of material with a highly textured, porous appearance. The top pile is a vibrant red, the middle one is a bright yellow, and the bottom one is a deep orange. They are arranged on a weathered wooden surface. A white, arrow-shaped graphic points from the left towards the piles, containing the text 'Mixer Grinders'.

A close-up photograph of a glass filled with a thick, vibrant purple smoothie. A single blueberry is perched on the surface of the drink. A black straw is inserted into the glass. The glass sits on a red, textured placemat. In the background, another similar glass is partially visible. The overall scene is brightly lit, highlighting the texture of the smoothie and the freshness of the ingredients.

A close-up photograph of several grilled sandwiches on a wooden cutting board. The sandwiches are made with round, golden-brown bread that has been pressed with a grill, creating a distinct grid pattern. The fillings include melted yellow cheese, sliced red bell peppers, fresh green basil leaves, and a white creamy spread. In the background, a whole red tomato is visible. The scene is set on a light-colored wooden surface, with some fresh basil and small berries scattered in the foreground.

- 1400 Watts
- 7 power levels
- 6 auto cook options
- Electronic cooking timer (1-180 min.)
- 4-digit LED display
- Keep warm mode
- Preheat function
- Rapid heat indicator
- 1 year warranty
- Overheating and sensory protection

A vibrant photograph of a traditional wooden steaming basket filled with fluffy white rice. The rice is garnished with fresh green mango slices, bright orange slices, and sprigs of fresh green mint. The basket is placed on a dark wooden stand with a metal handle. The background is a solid, rich red color. A white, angular graphic element is overlaid on the left side of the image, containing the text 'Electric Cookers'.

HEALTHY RICE & PASTA

- 1.8 ltr capacity
- 700 Watts
- Rice and Pasta cooker
- Cooking and keep warm function
- Steamer
- Removable cooking pan
- Glass lid
- Detachable cover
- Keep warm function
- Accessories:
 - Steamer
 - Spatula
 - Measuring cup

RICE+

- 1.8 ltr capacity
- 700 Watts
- Cook and keep warm function
- Stainless steel lid
- Food tray
- Floral design body
- Non-stick coated pot
- Separate pan and extra cooking pot
- Keep warm function
- Accessories:
 - Extra pot
 - Separate pan
 - Spatula
 - Measuring cup

D55W

- 1.5 ltr capacity
- 250 Watts
- Cook and keep warm function
- Stainless steel lid
- Removable pot
- Detachable cover
- Accessories:
 - Spatula
 - Measuring cup

Irons

Steam Irons

2 Year

CONFIGIP TRIZONE

- 2200 Watts
- Rounded soleplate for superior glide ability and durability
- Large 250 ml water tank
- Turbo steam burst: 200 gm/min
- Regular steam output: 25 gm/min
- Eco steam switch for economical ironing
- Friction reducing technology
- Convenient vertical steam ironing
- Anti-drip function
- Clear view of water tank for easy filling
- Powerful shot of steam while vertical and horizontal ironing

TURBO STEAM

- 2000 Watts
- Large 200 ml water tank
- Turbo steam burst: 18 gm/min
- Regular steam output: 11-25 gm/min
- Clear view of water tank for easy filling
- Powerful shot of steam while vertical and horizontal ironing
- Anti-drip system
- Fine water spray used to dampen dry garments and help to remove difficult creases

TURBO STEAM DUALZONE

- 1800 Watts
- New steam collection with dual zone technology for ultimate glide
- Large 400 ml water tank
- Turbo steam output: 110 gm/min
- Regular steam burst: 15-25 gm/min
- Clear view of water tank for easy filling
- Powerful shots of steam while vertical and horizontal ironing

Steam Irons

2 Year

SUPER GLIDE

- Powerful 2000 Watts
- Ceramic coated soleplate for life long and smooth ironing
- Extra large soleplate in its class for faster ironing
- Large 250 ml water tank
- Variable steam control
- 11 jets of continuous steam
- Powerful steam burst: 150 g/min
- Self cleaning with anti-calc function
- Vertical ironing
- Extra long 340° swivel cord for easy movement
- Fine water spray to remove difficult stains
- 44 steam holes for uniform steam release
- IEC approved safety standards

GLIDE

- 1250 Watts
- Non-stick coated soleplate for smooth ironing movement
- Extra large soleplate in its class for faster ironing
- Large 200 ml water tank
- Variable steam control to suit all fabrics
- 15 jets of continuous steam
- Powerful steam burst: 100 g/min
- Self cleaning function
- Vertical ironing
- Long 340° swivel cord for easy movement
- Fine water spray to remove difficult stains
- 17 steam holes
- IEC approved safety standards

Steam Irons

2 Year

Dolphin

- 1600 Watts
- Non-stick coated soleplate for smooth ironing movement
- Extra large soleplate in its class for faster ironing
- Large 200 ml Water tank
- Variable steam control to suit all fabrics
- 75 gms of continuous steam
- Powerful steam burst: 180 gms/min
- Self-cleaning function
- Vertical Ironing
- Long 340° swivel cord for easy movement
- Fine water spray to remove difficult stains
- 11 steam holes
- ISI approved safety standards

MIRAGE

- Powerful 1400 Watts
- Non-stick soleplate for life long and smooth ironing
- Extra large soleplate in its class for faster ironing
- Large 200 ml water tank
- Adjustable steam control
- 71 gms of continuous steam
- Powerful steam burst: 180 gms/min
- Self-cleaning with anti-scale function
- Vertical ironing
- Extra long 300° swivel cord for easy movement
- Fine water spray to remove difficult stains
- 44 steam holes for uniform steam release
- ISI approved safety standards

Dlx

SENORA

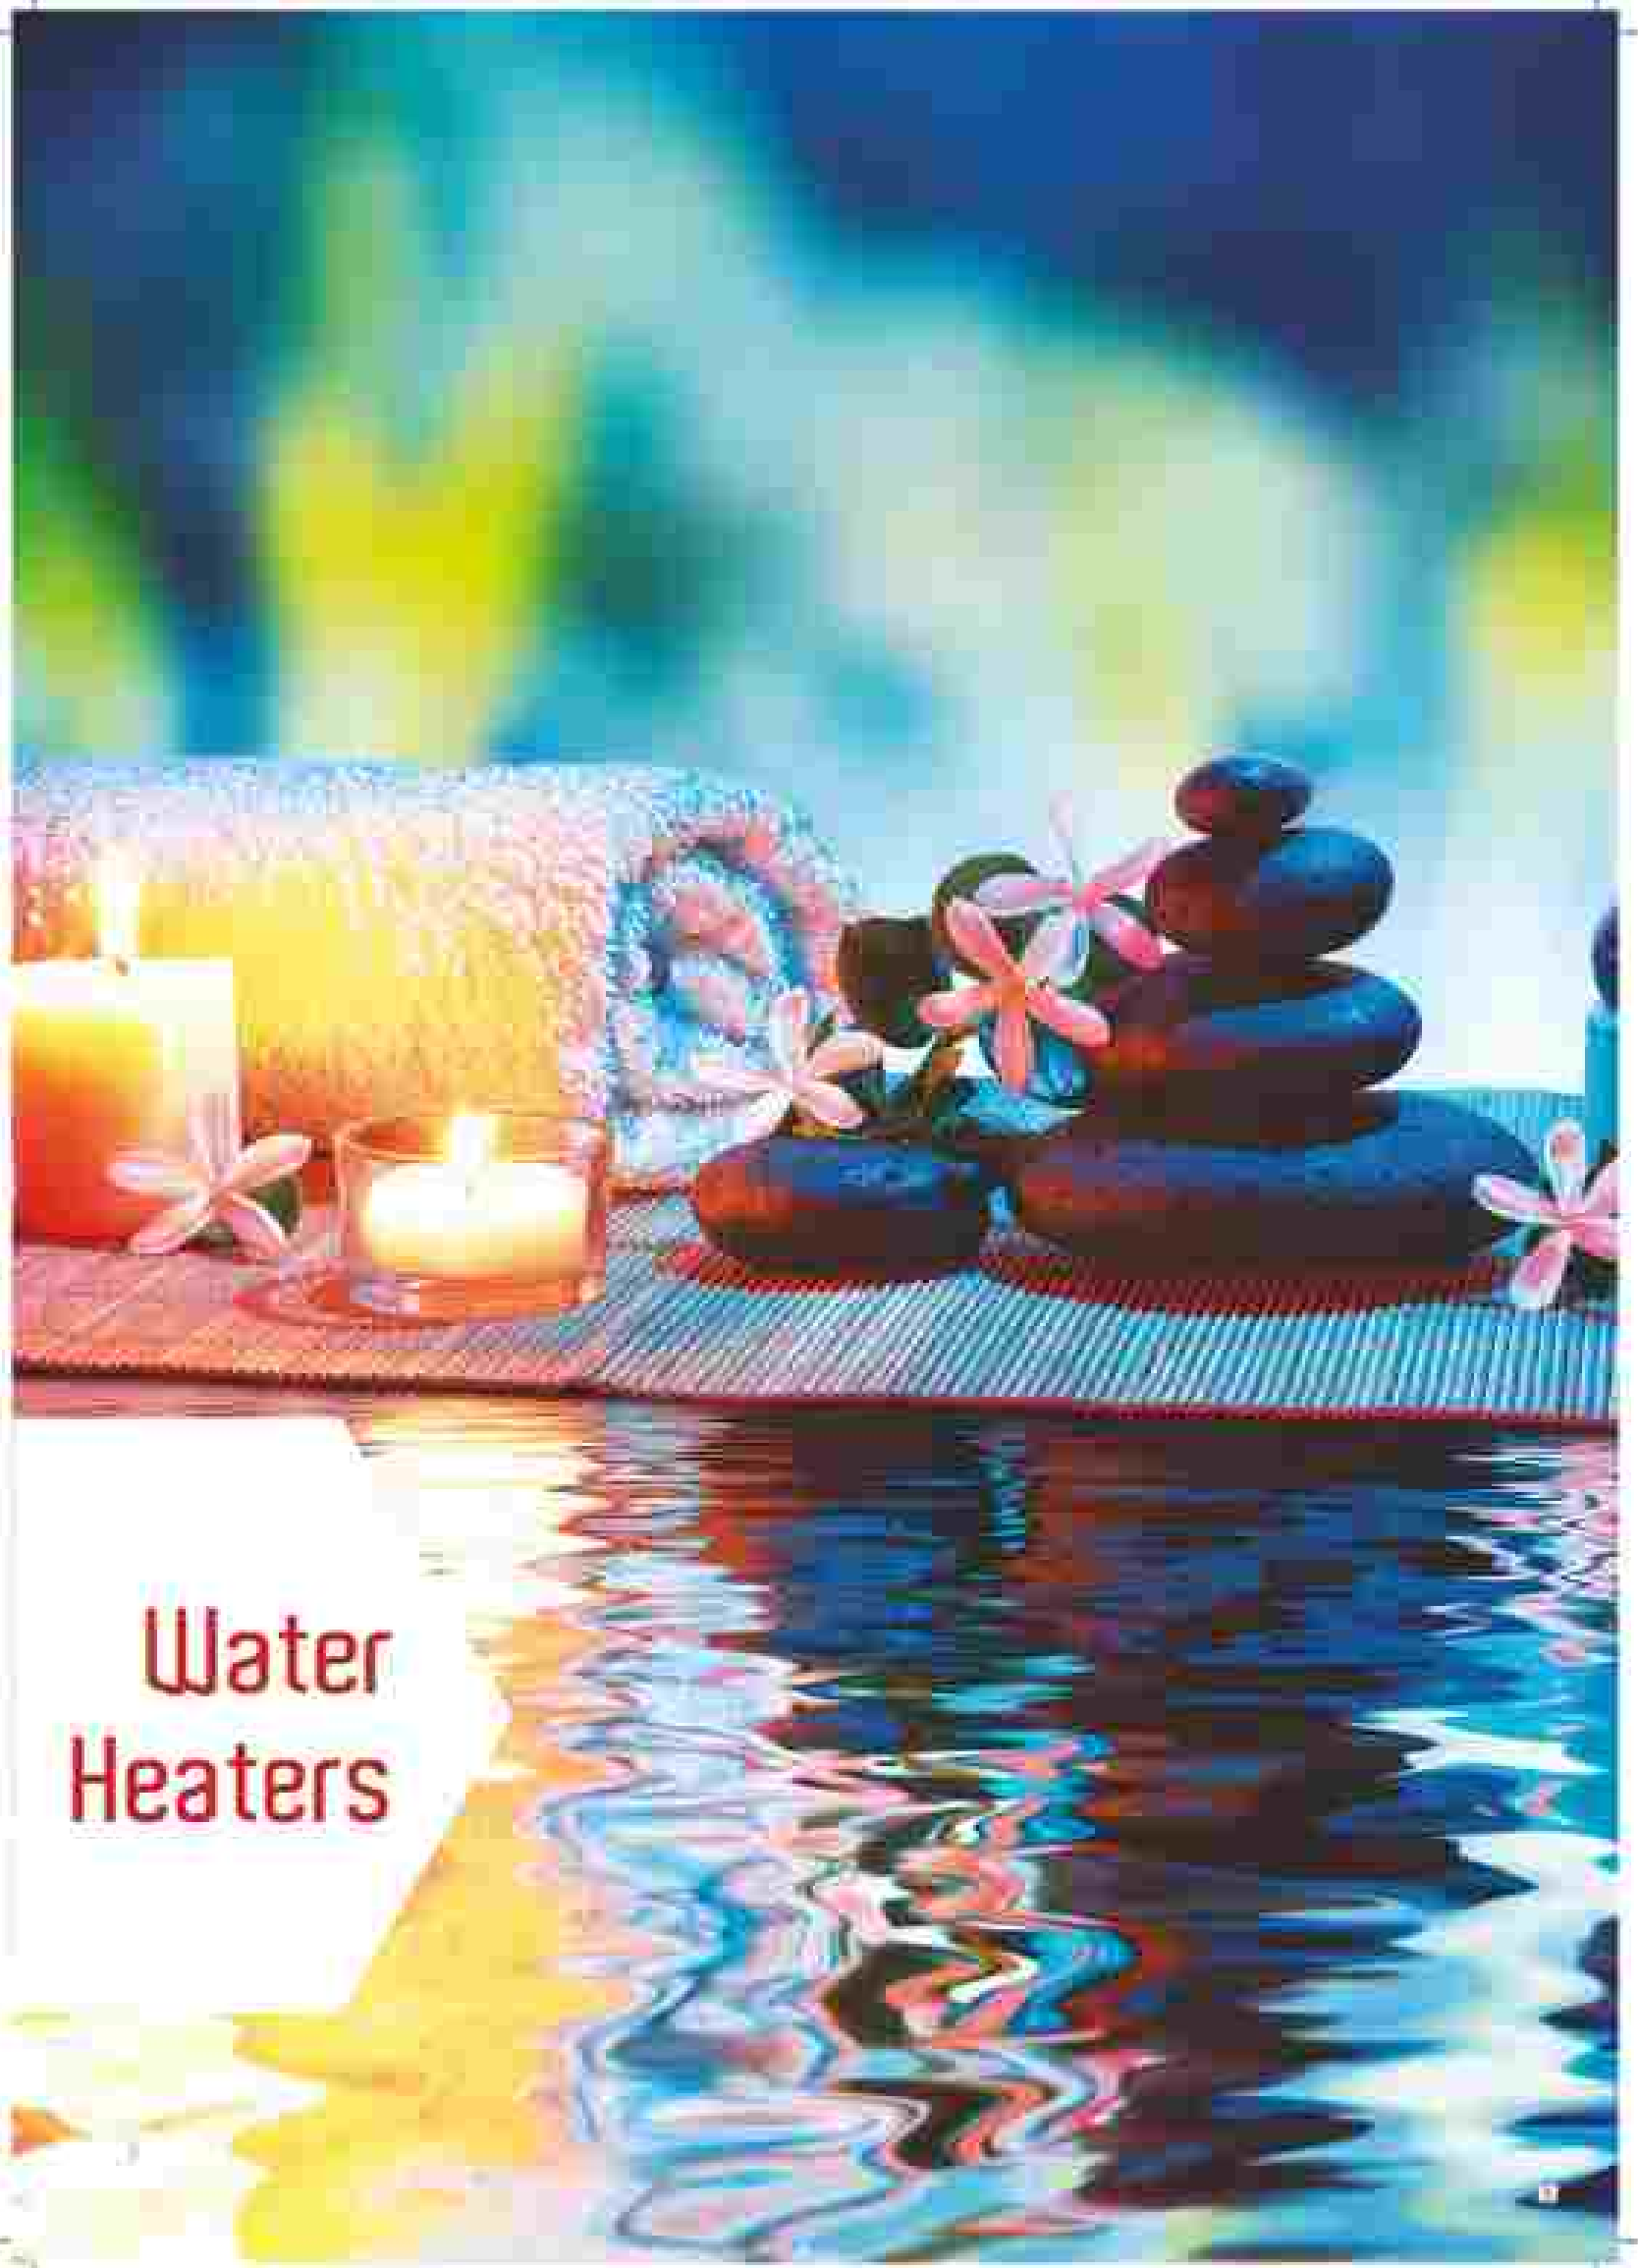

- 1000 Watts
- Solides non-stick coated soleplate
- Adjustable thermostat control
- 360° swivel cord
- Heat wave indicator

INSPIRA

- 1000 Watts
- Tripart non-stick coated soleplate
- Adjustable thermostat control
- 360° swivel cord
- Wave indicator

Water Heaters

Water Heaters

SALVO

- Capacity: 4, 10, 15, 25 lit.
- 2000 Watts
- Superior glass-lined tank
- Magnesium anode rod
- Energy saving PUF
- Glazed insulating heating element
- Analog temperature display
- 8 bar pressure – suitable for high rise buildings
- Fast grid expansion plastic body
- Free installation on valve range only
- Free Installation Pipes with Sizes 10, 15, 25 lit.
- 3 Year Warranty on water tank
- 4 Year Warranty on heating element

LAVO EM

- Capacity: 4, 10, 15, 25 lit.
- 2000 Watts
- Superior glass-lined tank
- Digital temperature display
- All weather heat protection feature
- Magnesium anode rod
- Energy saving PUF
- Glass-lined insulating IRE heating element
- 8 bar pressure – suitable for high rise buildings
- 3 Year Warranty on water tank
- 4 Year Warranty on heating element

LAVO DIGI

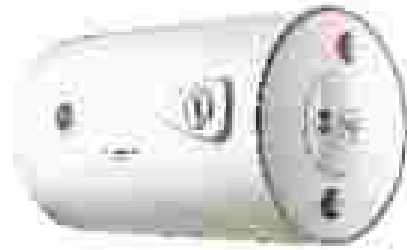

- Capacity: 15 and 25 lit.
- 2000 Watts
- Cordless remote
- Digital temperature display
- Temperature and time setting features with remote control
- Superior glass-lined tank
- Magnesium anode rod
- Energy saving PUF
- Glass-lined insulating IRE heating element
- 8 bar pressure – suitable for high rise buildings
- 3 Year Warranty on water tank
- 4 Year Warranty on heating element

Water Heaters

2

Low (Horizontal)

- Capacity: 15 and 25 ltr.
- 2000 Watts
- Superior glass lined tank
- Magnesium anode rod
- Energy saving PHE
- Earth leakage circuit breaker (ELCB)
- Glass lined incalloy 304 heating element
- 8 bar pressure - suitable for high rise buildings
- Rust proof engineered plastic body
- Analog temperature display
- 10 Year Warranty on water tank
- 3 Year Warranty on heating element
- Dual heating elements
- 3 stage heating controls: (300W/1200W/2000W) helps in saving electricity

QUENTE

- Capacity: 1 and 2 ltr.
- 2000/4000 Watts
- Superior heating element for longer life and durability
- Rust proof plastic body
- Diplock leads
- Chrome door
- 6.5 bar pressure - suitable for high rise building
- Indicator lights for power on and heating
- 5 Year Warranty on water tank
- 3 Year Warranty on heating element
- Reset knob for safety

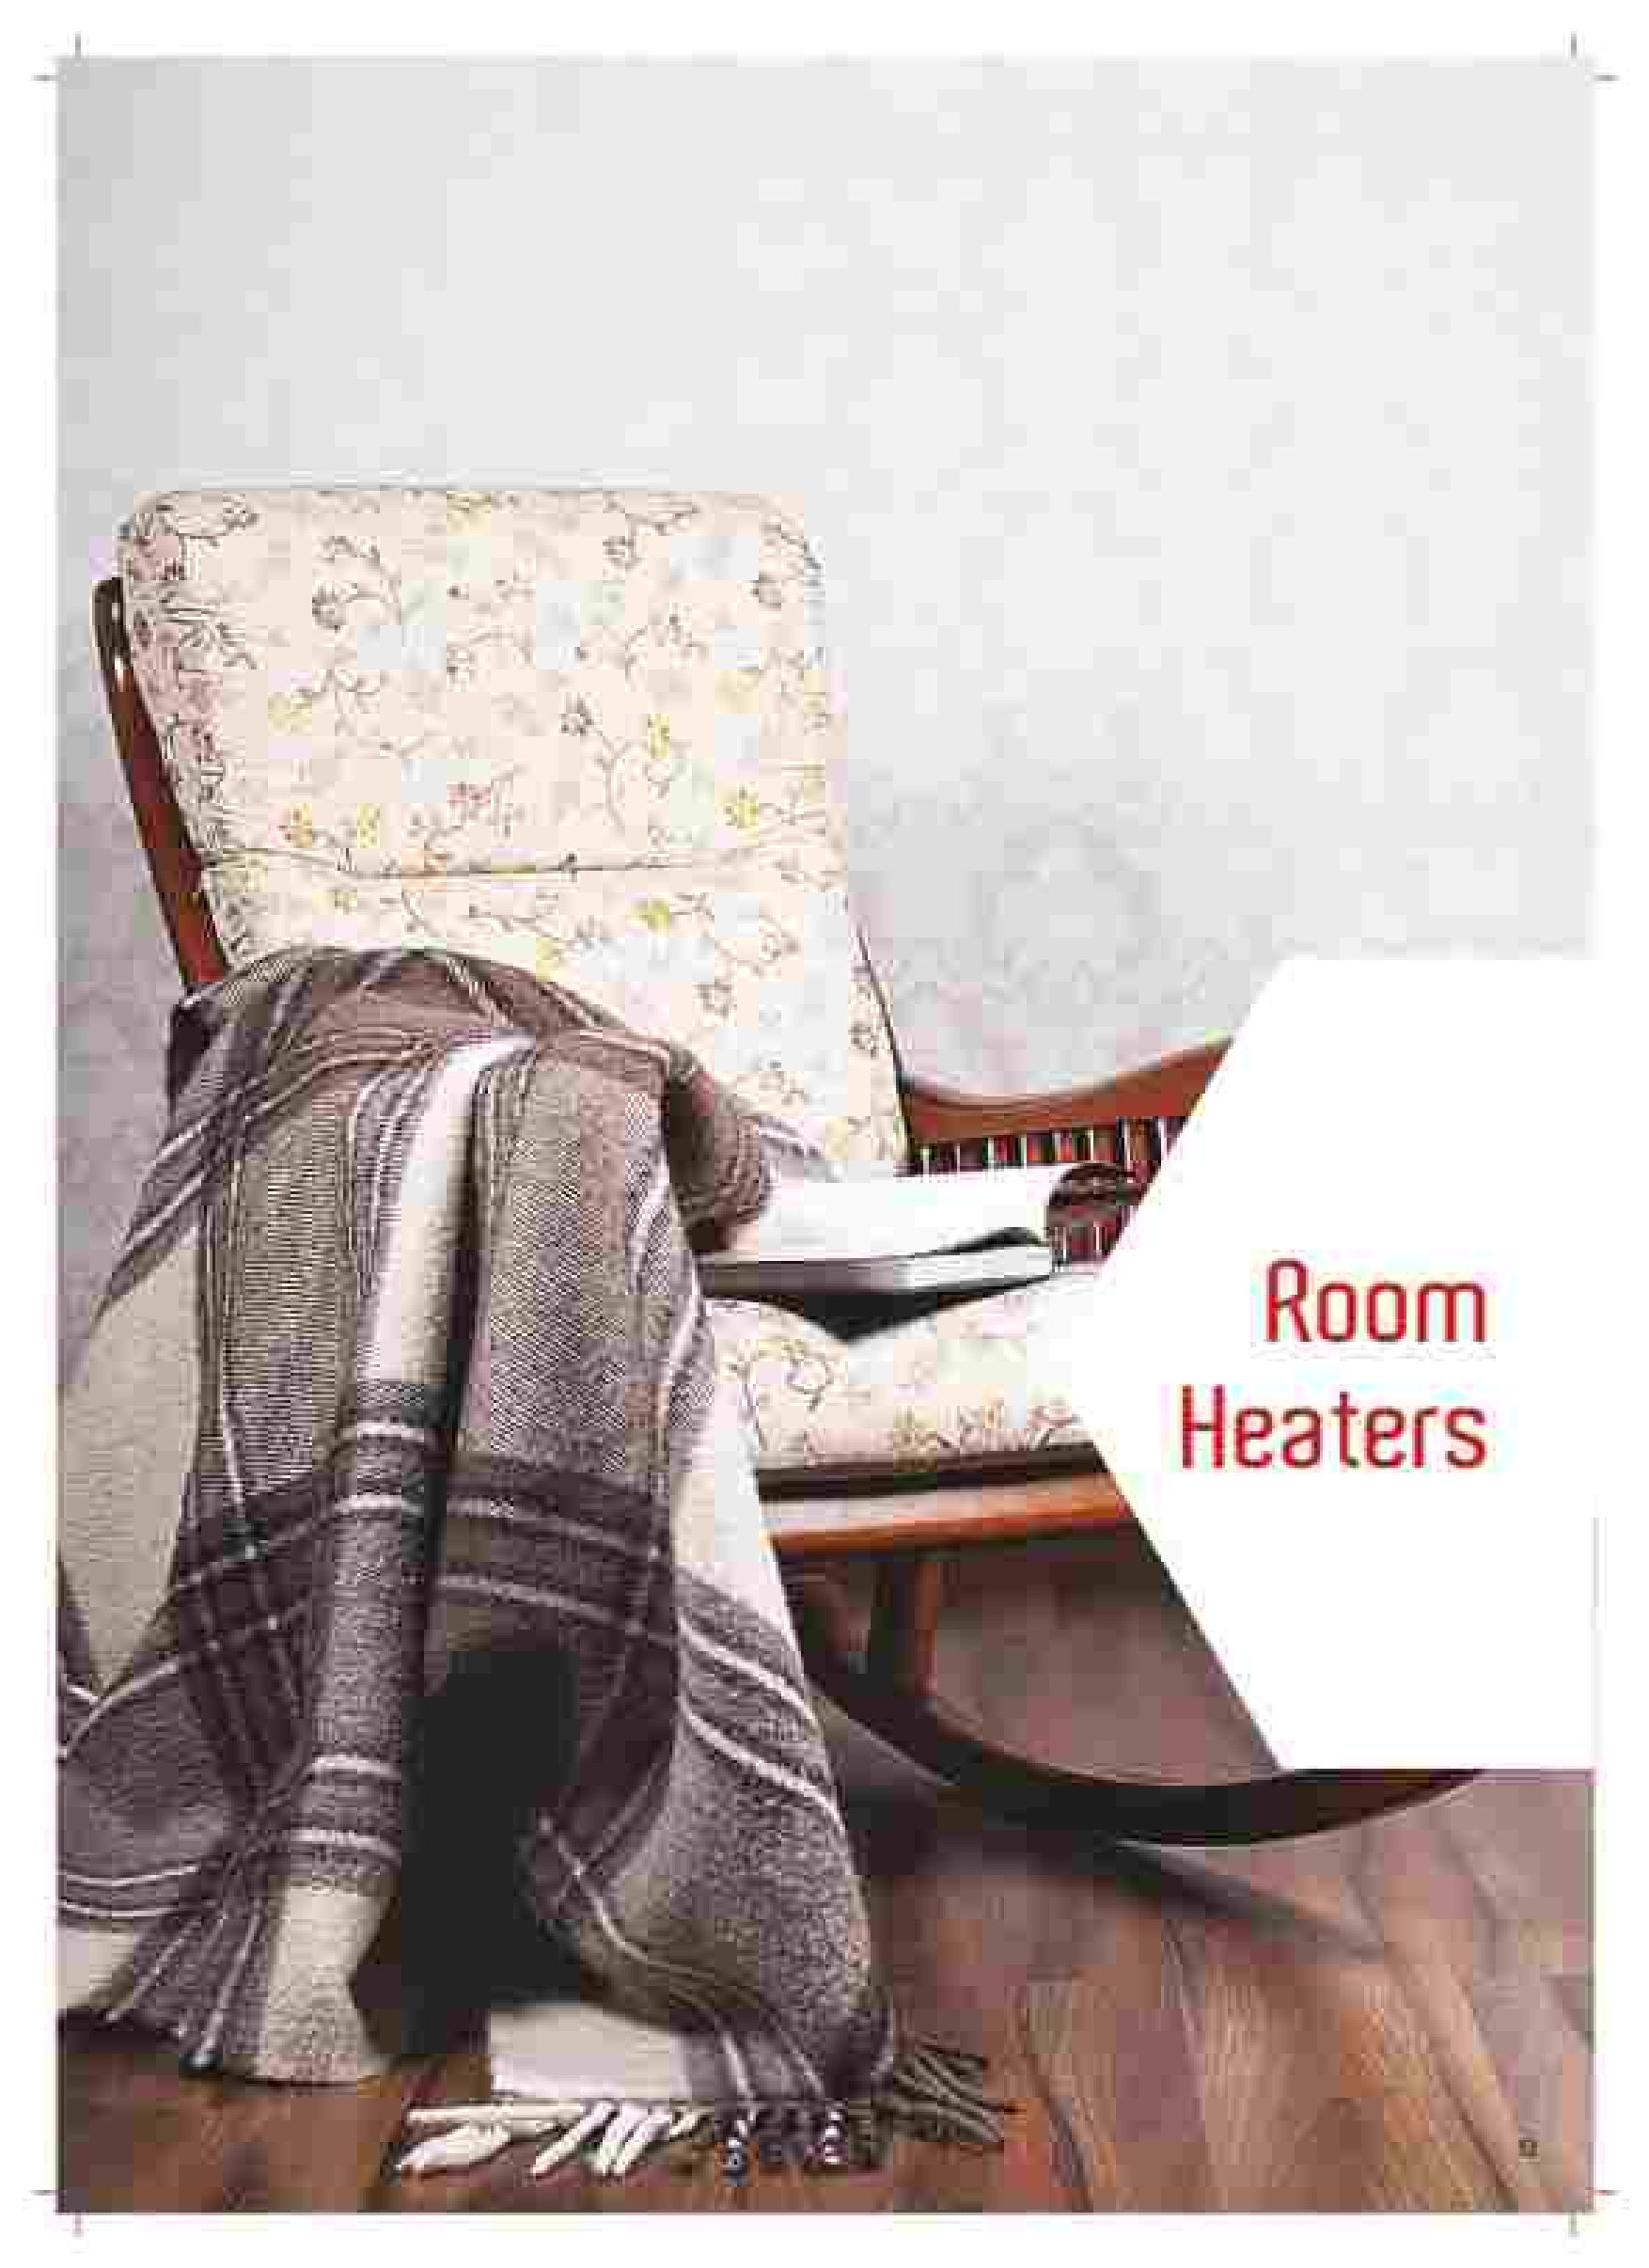

HD 031

Hair Dryer

- 1800Watt
- 2 Speed Setting
- Cool shot with 30sec delay
- 1.8m long power cord
- Removable air filter
- Removable and replaceable HEPA filter
- Anti-static setting for hair care

Room Heaters

Room Heaters

2 year

QFR 13F

- 13 in.
- 2700 Watts (2550W - 400W PTC fan heater)
- Adjustable thermostat to maintain desired room temperature
- Additional PTC fan heater
- Cool window
- Caster wheels with mounting plate for easy mobility
- Top-over switch
- Easy carry handle
- Power selection knob

QFR 11F

- 11 in.
- 2700 Watts (2500W - 400W PTC fan heater)
- Adjustable thermostat to maintain desired room temperature
- Cool window
- Caster wheels for easy mobility
- Top-over switch
- Power selection knob
- Easy carry handle

QFR 9F

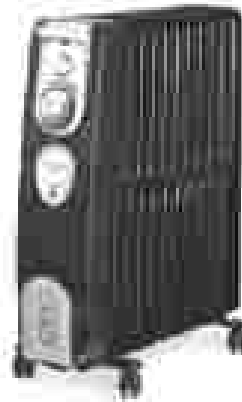

- 9 in.
- 2400 Watts (2200W - 400W PTC fan heater)
- Adjustable thermostat to maintain desired room temperature
- Additional PTC fan heater
- Cool window
- Caster wheels with mounting plate for easy mobility
- Top-over switch
- Easy carry handle
- Power selection knob

Room Heaters

2 year

OFR 1100

- 11 liter
- 2500 Watts
- U-shaped 140 mm wide radiator fins for better heating efficiency
- Back cover and handles
- Ergonomically designed switch for easy operation
- Adjustable thermostat to maintain desired room temperature
- Cool water
- Castor wheels with mounting plate for easy mobility
- Tip over switch
- Easy carry handle

OFR 900

- 9 liter
- 2500 Watts
- U-shaped 140 mm wide radiator fins for better heating efficiency
- Adjustable thermostat to maintain desired room temperature
- Cool water
- Castor wheels for easy mobility
- Tip over switch
- Power switched lead

OFR 9

- 9 liter
- 2000 Watts
- Back cover and handles
- Ergonomically designed switch for easy operation
- Adjustable thermostat to maintain desired room temperature
- Cool water
- Castor wheels with mounting plate for easy mobility
- Tip over switch
- Easy carry handle
