# NEWS & REVIEWS

“ If you are fond of old time music then this audio innovation from Saregama is a must- have. Highly recommended. ”

**Financial Express**

“ The Carvaan Mini lives up to its name, offering pretty much the same things that the Carvaan does, albeit in a smaller package and at less than half the price. ”

**The Hindu Business Line**

“ Given the performance, connectivity and the novelty factor of the Carvaan Mini, it easily ranks very high among the speakers at this price point. ”

**The Mint**

“ Music on the go is often associated with mobile phone, Carvaan Go pushes this barrier and introduces an uninterrupted listening experience where there are no phone calls, or message of a poor network to intrude your music experience. ”

**The Indian Express**

“ Saregama Carvaan Go is best for long flight or train journey where there is no internet connectivity required to listen to the preloaded content. ”
