Lifelong Online is one of India's leading direct to consumer brands for consumer durable products. Inspired by consumers, our products are developed keeping our insights of the modern Indian consumer's lifestyle at the core of the design. As we reimagine everyday living, our products strongly resonate with our consumers, establishing our strong presence across multiple categories, starting from Home & Kitchen, Lifestyle, Fitness, Healthcare, and extending to IoT Devices.

At Lifelong Online, we run the complete D2C flywheel, with a technology backbone that secures customer feedback across multiple touchpoints, demonstrating effective marketing and communication campaigns, managing a diverse multi-country factory base across, a pan-India customer service network, and robust capabilities of e-commerce fulfilment at multiple locations across India. This allows us to continuously innovate and improve customer experience and grow into all categories present in our customers' homes.

Our deep integration with Amazon, Flipkart, Walmart, and other modern trade outlets has ensured that Lifelong Online delivers on its promise to be accessible, available, and affordable for all its customers. Lifelong Online was founded by Atul Raheja, Varun Grover, and Bharat Kalia in 2015.
